

## Kairos Cookie Baking Help!!!

It's that season again where Main Street UMC goes to prison!!! Well, certain volunteers go, but we need the support of our church family in baking cookies for Kairos! Since COVID however, the rules for cookie baking have become **VERY** stringent. We would appreciate your participation in helping us bake the cookies, as **we need 120 dozen**, so please read the directions below if you want to help. Be sure to follow the guidelines below or your cookies may not end up in prison. Thank you for your participation in contributing to Prison Ministry work.

1. Buy either Nestle or Pillsbury **24-Count Chocolate Chip cookie dough ONLY**. Each of the bags below make 24 cookies (2 dozen each), 2-2½" diameter. Follow the directions on the packages for baking. Most importantly, **DO NOT ADD ANYTHING to these cookies**. Just bake them AS IS, out of the package.

2. Let them cool **COMPLETELY** before putting them in a Ziploc "Grip 'n Seal" quart-size baggie (**NO** zipper baggies) and stack the cookies in 4 stacks of 3. **BROKEN COOKIES ARE NOT GIVEN TO RESIDENTS**.

**Please have all baked cookies at the church office by Friday, Feb. 27<sup>th</sup>**

**And if anyone would like to help bake cookies at the church on Friday night, February 27<sup>th</sup>, please contact [bob.langlais@yahoo.com](mailto:bob.langlais@yahoo.com) or 336-407-0905.**
